

Design Decision ID: D14-1
Design Decision Description: Adaptation 1 was chosen for realization.
Realized Requirements: R14-1
Comment/Underlying Reasoning: It was the only adaptation identified.

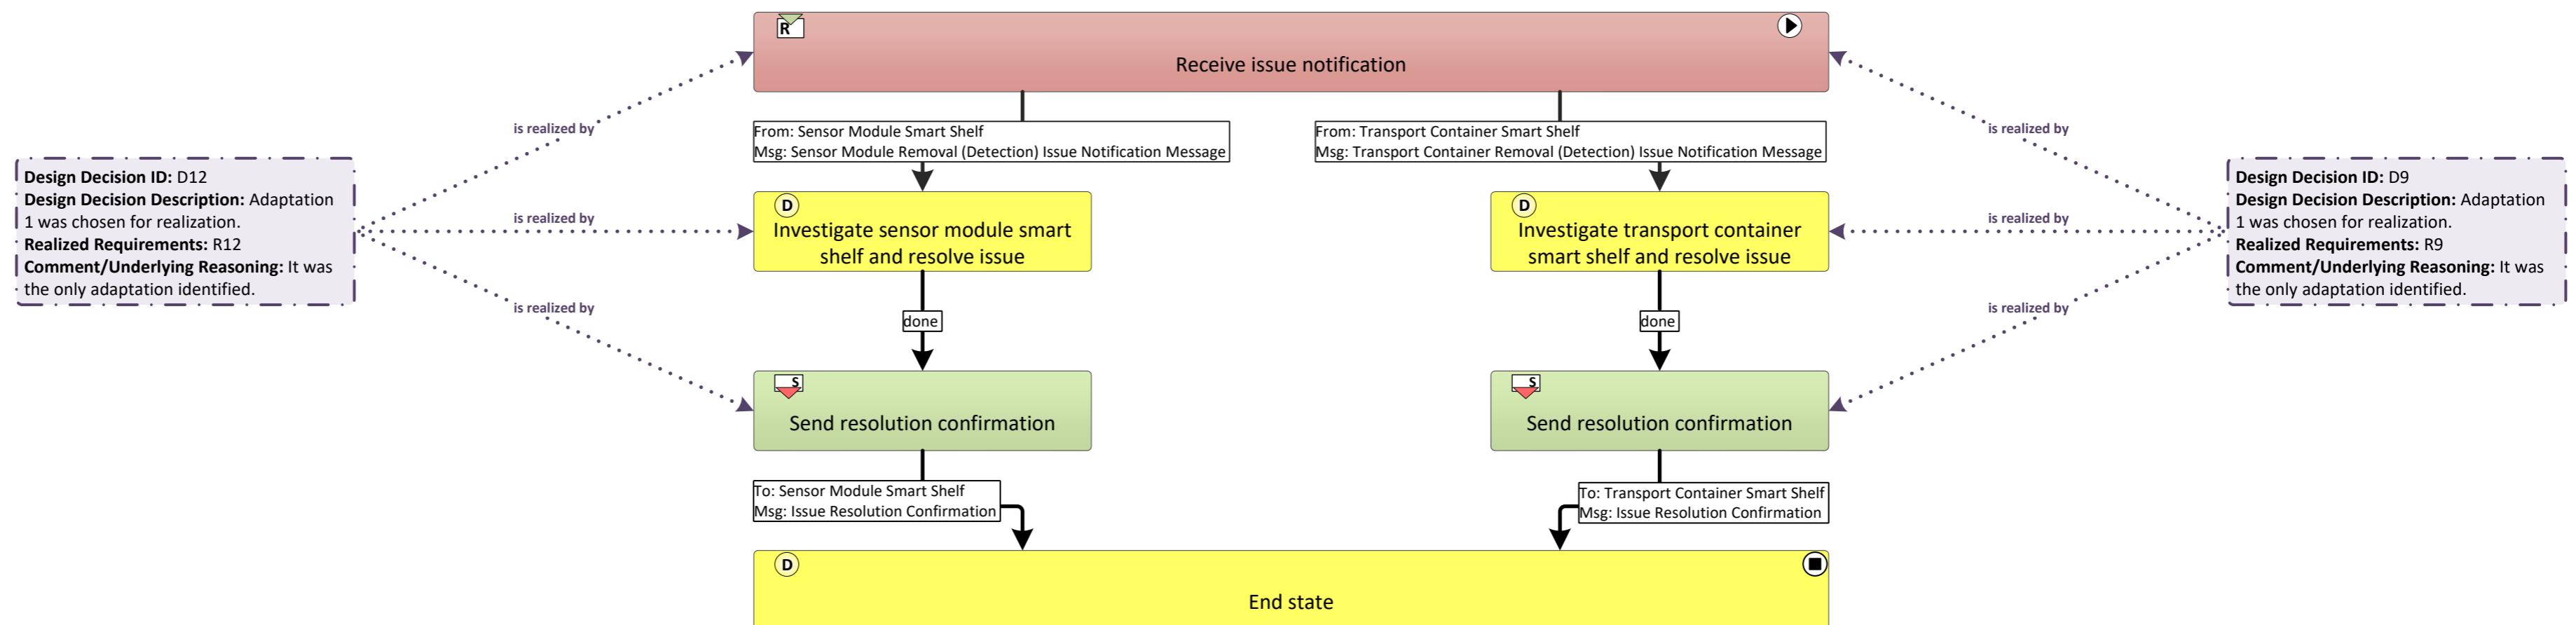

Design Decision ID: D14
Design Decision Description: Adaptation 1 was chosen for realization.
Realized Requirements: R14
Comment/Underlying Reasoning: It was the only adaptation identified.

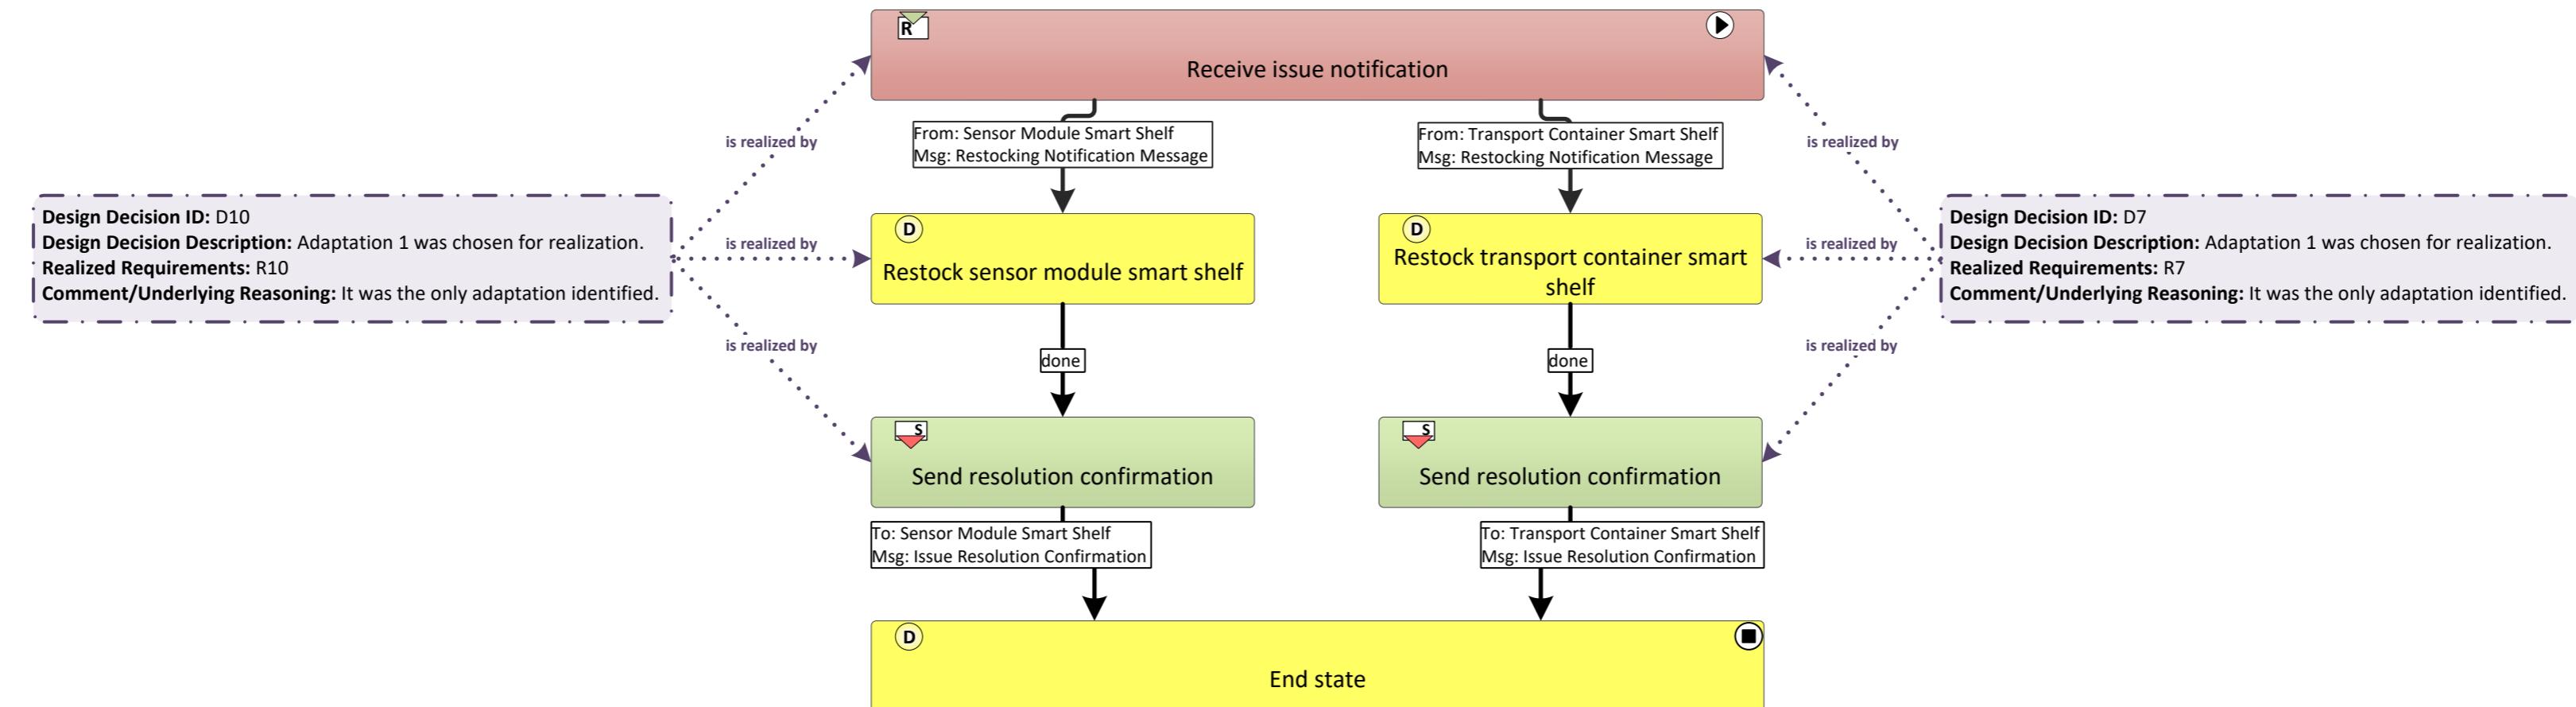

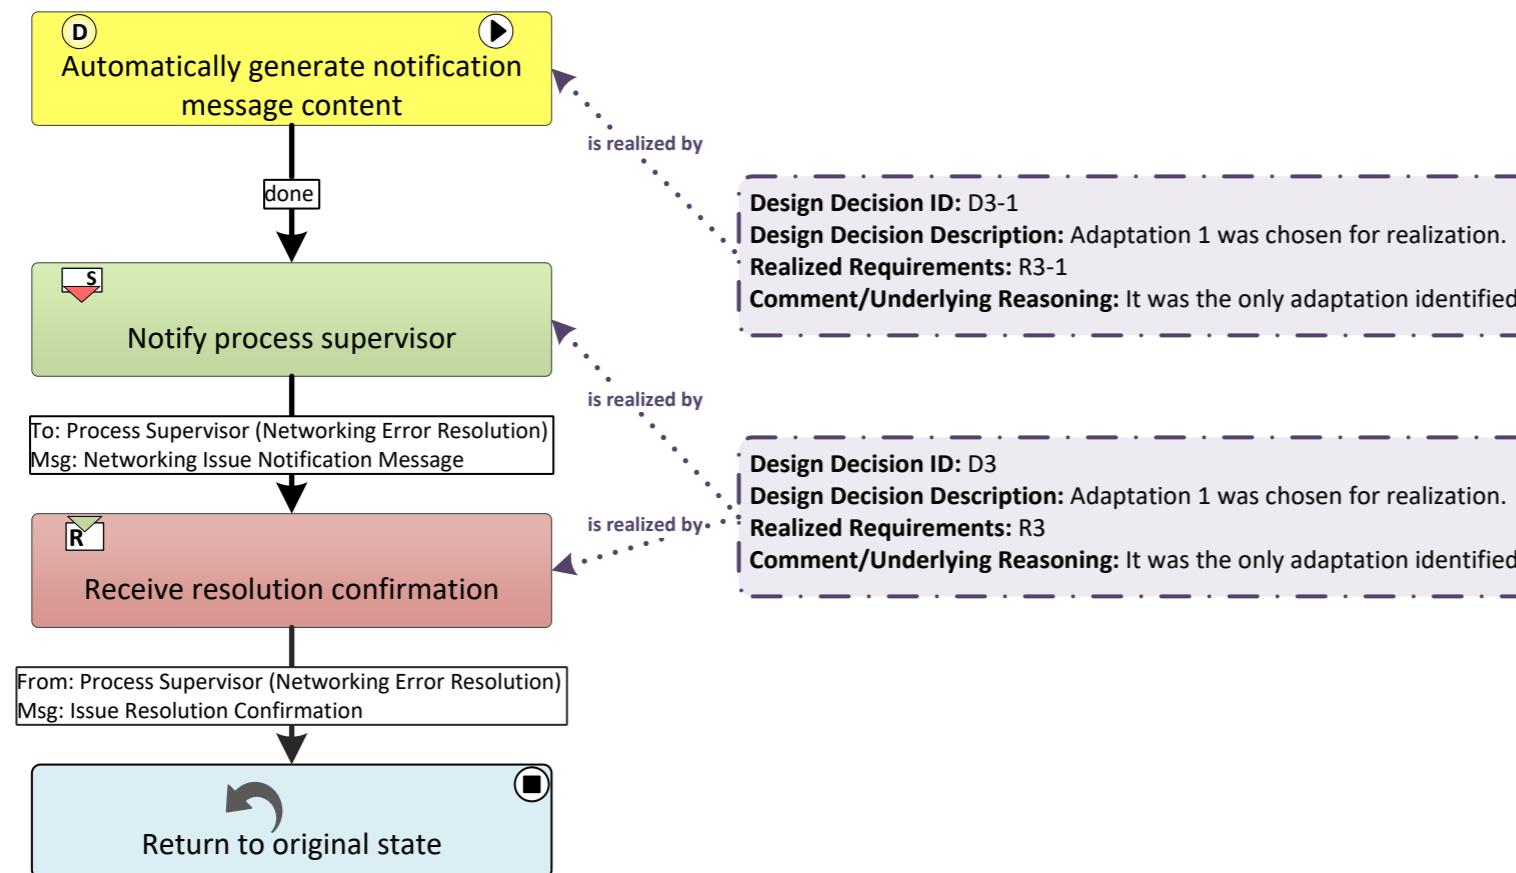

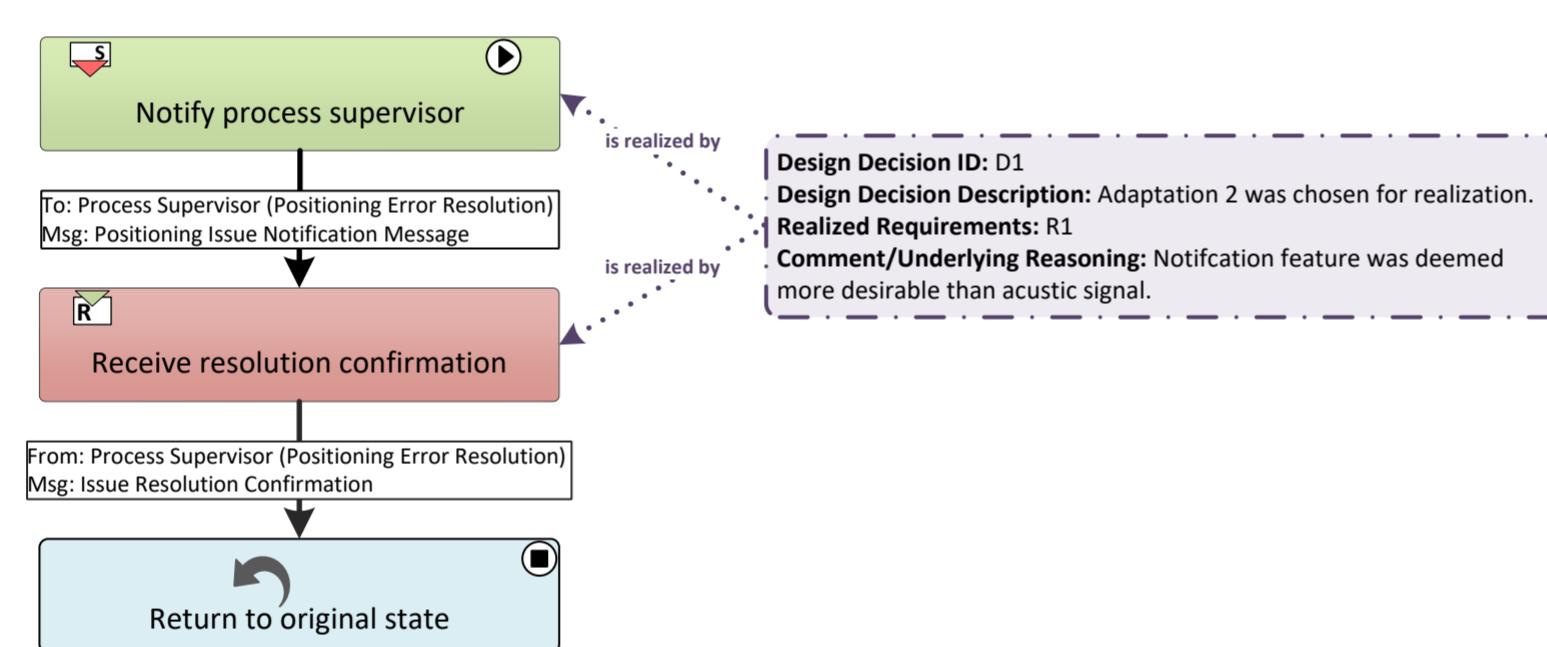

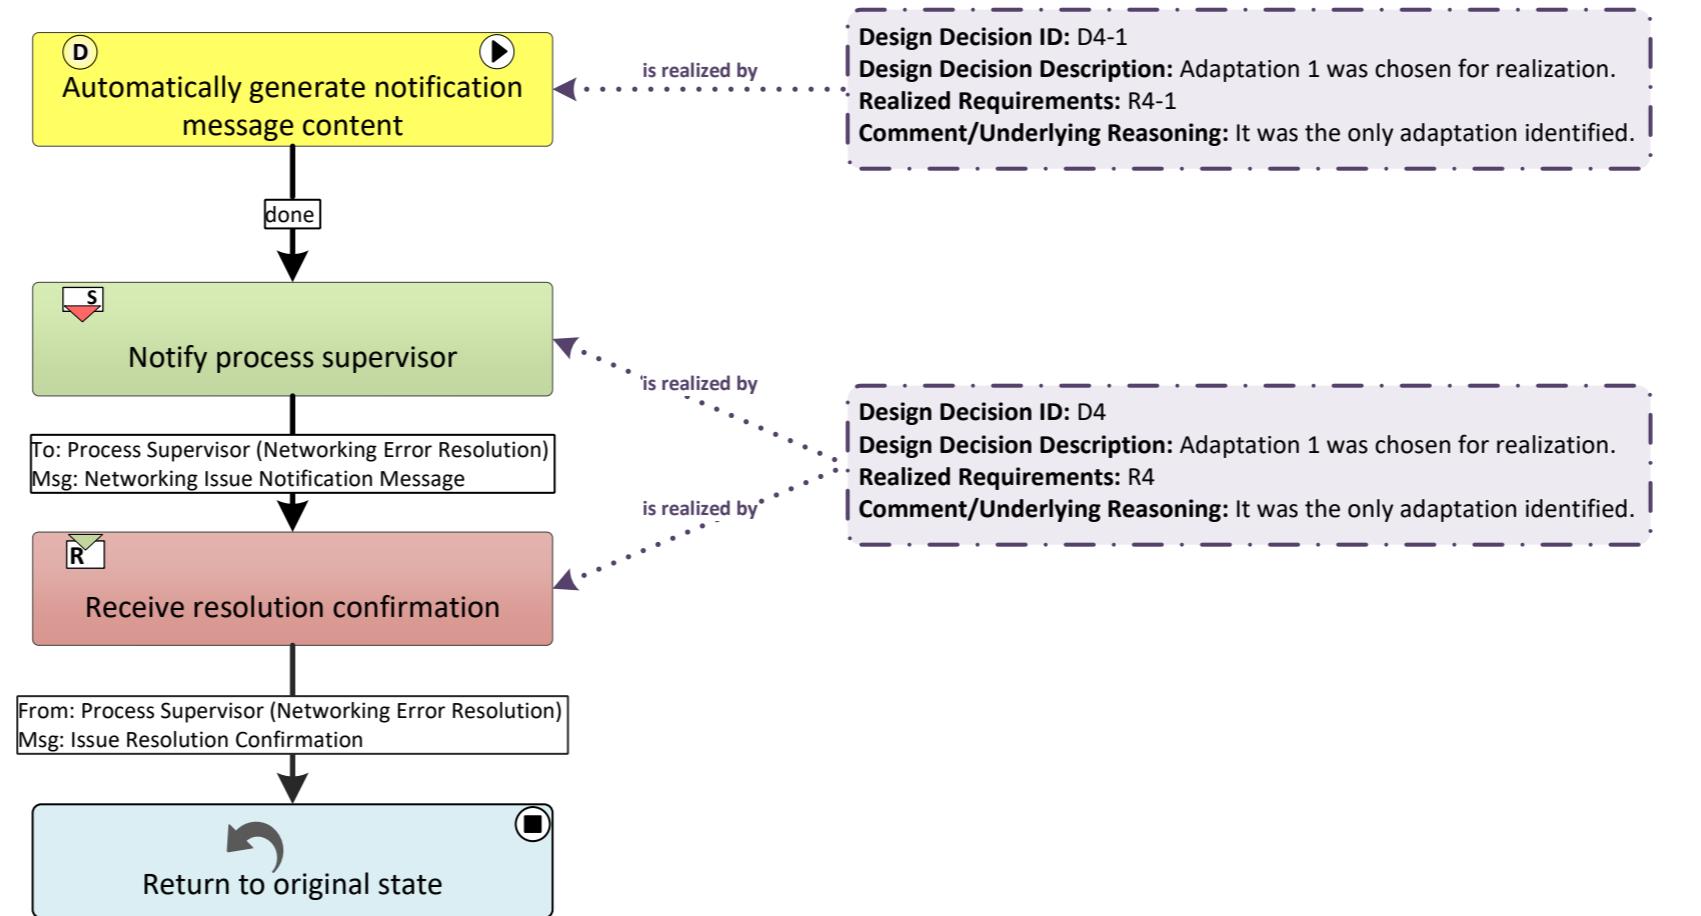

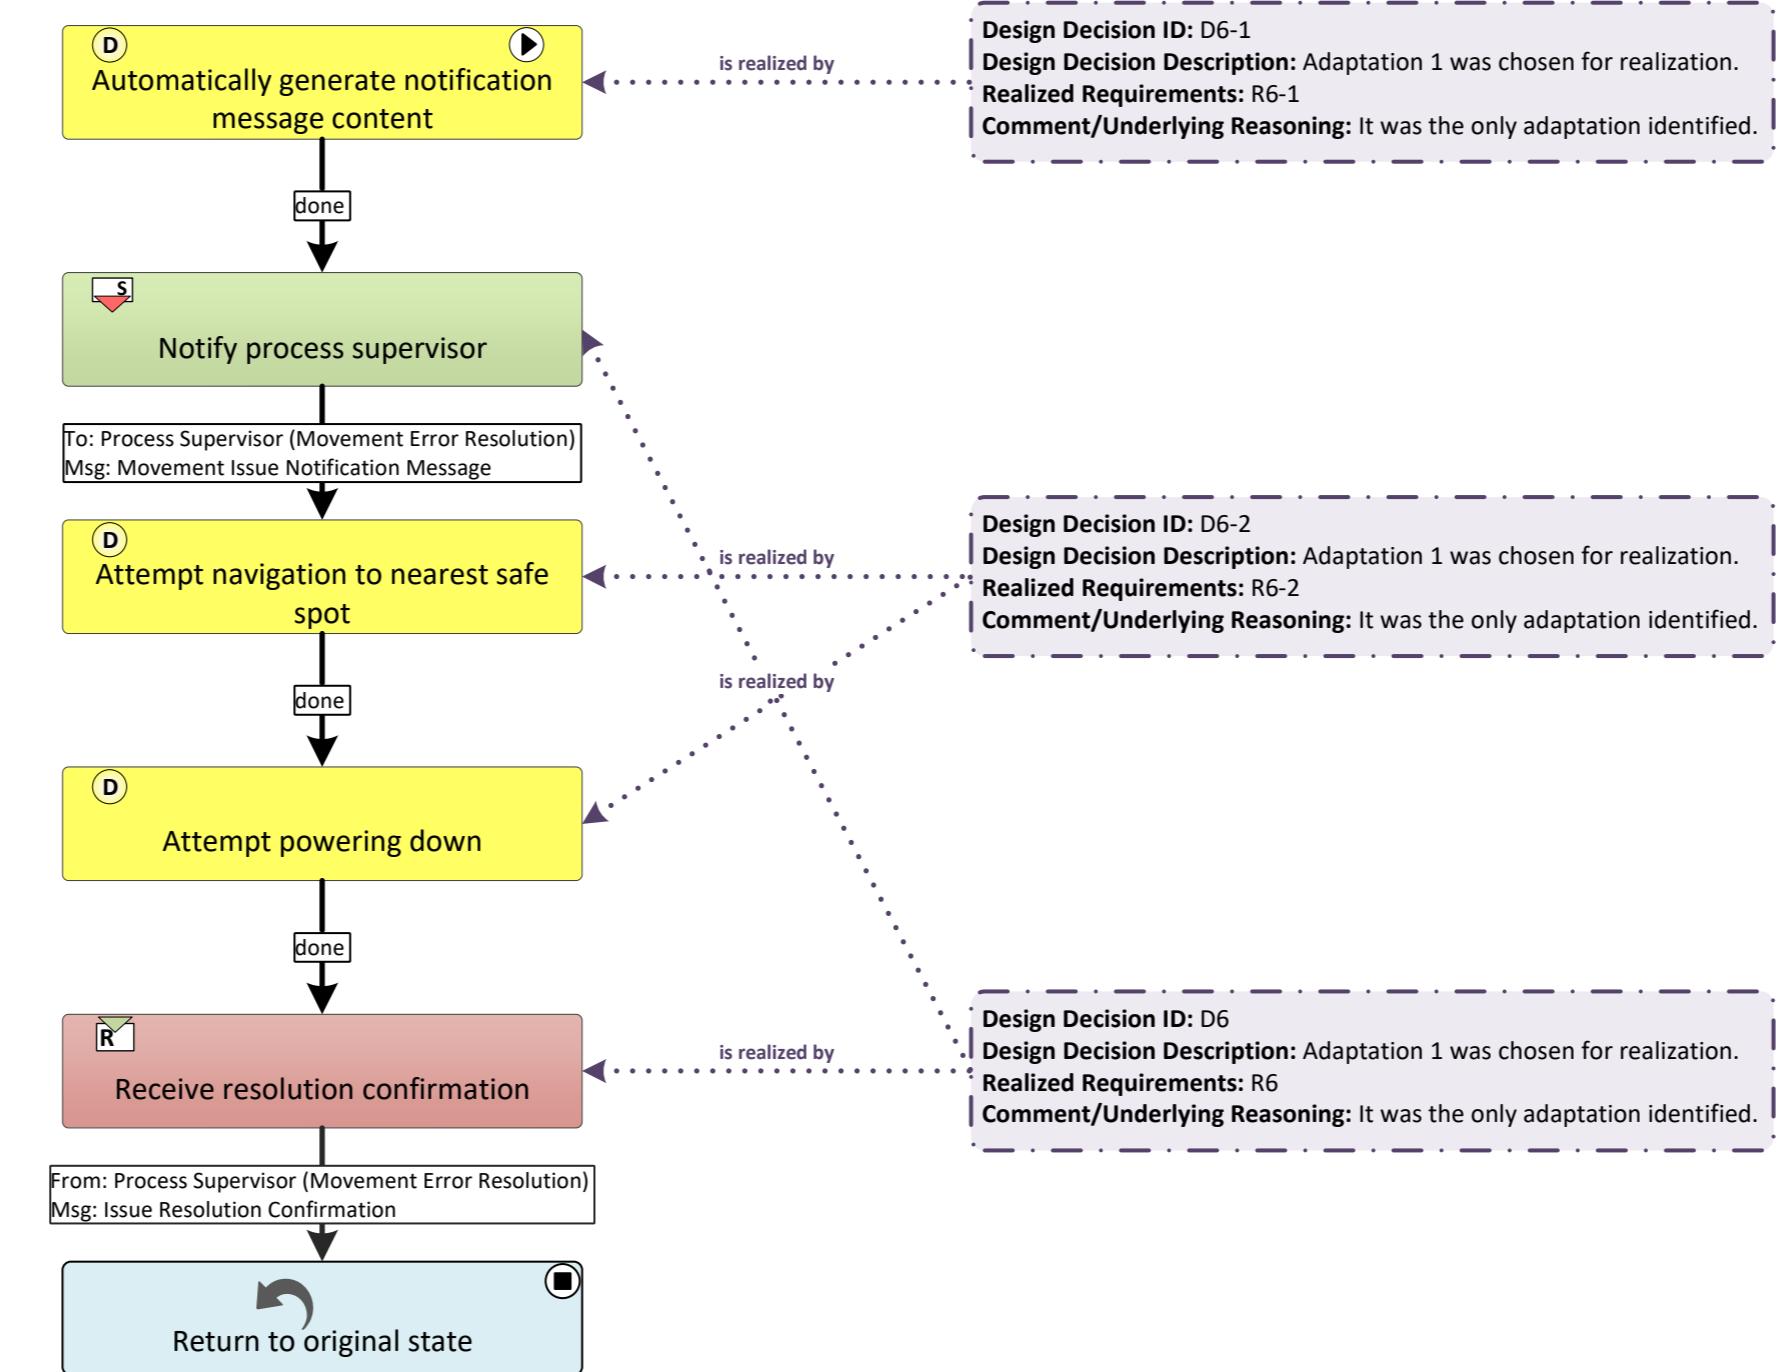

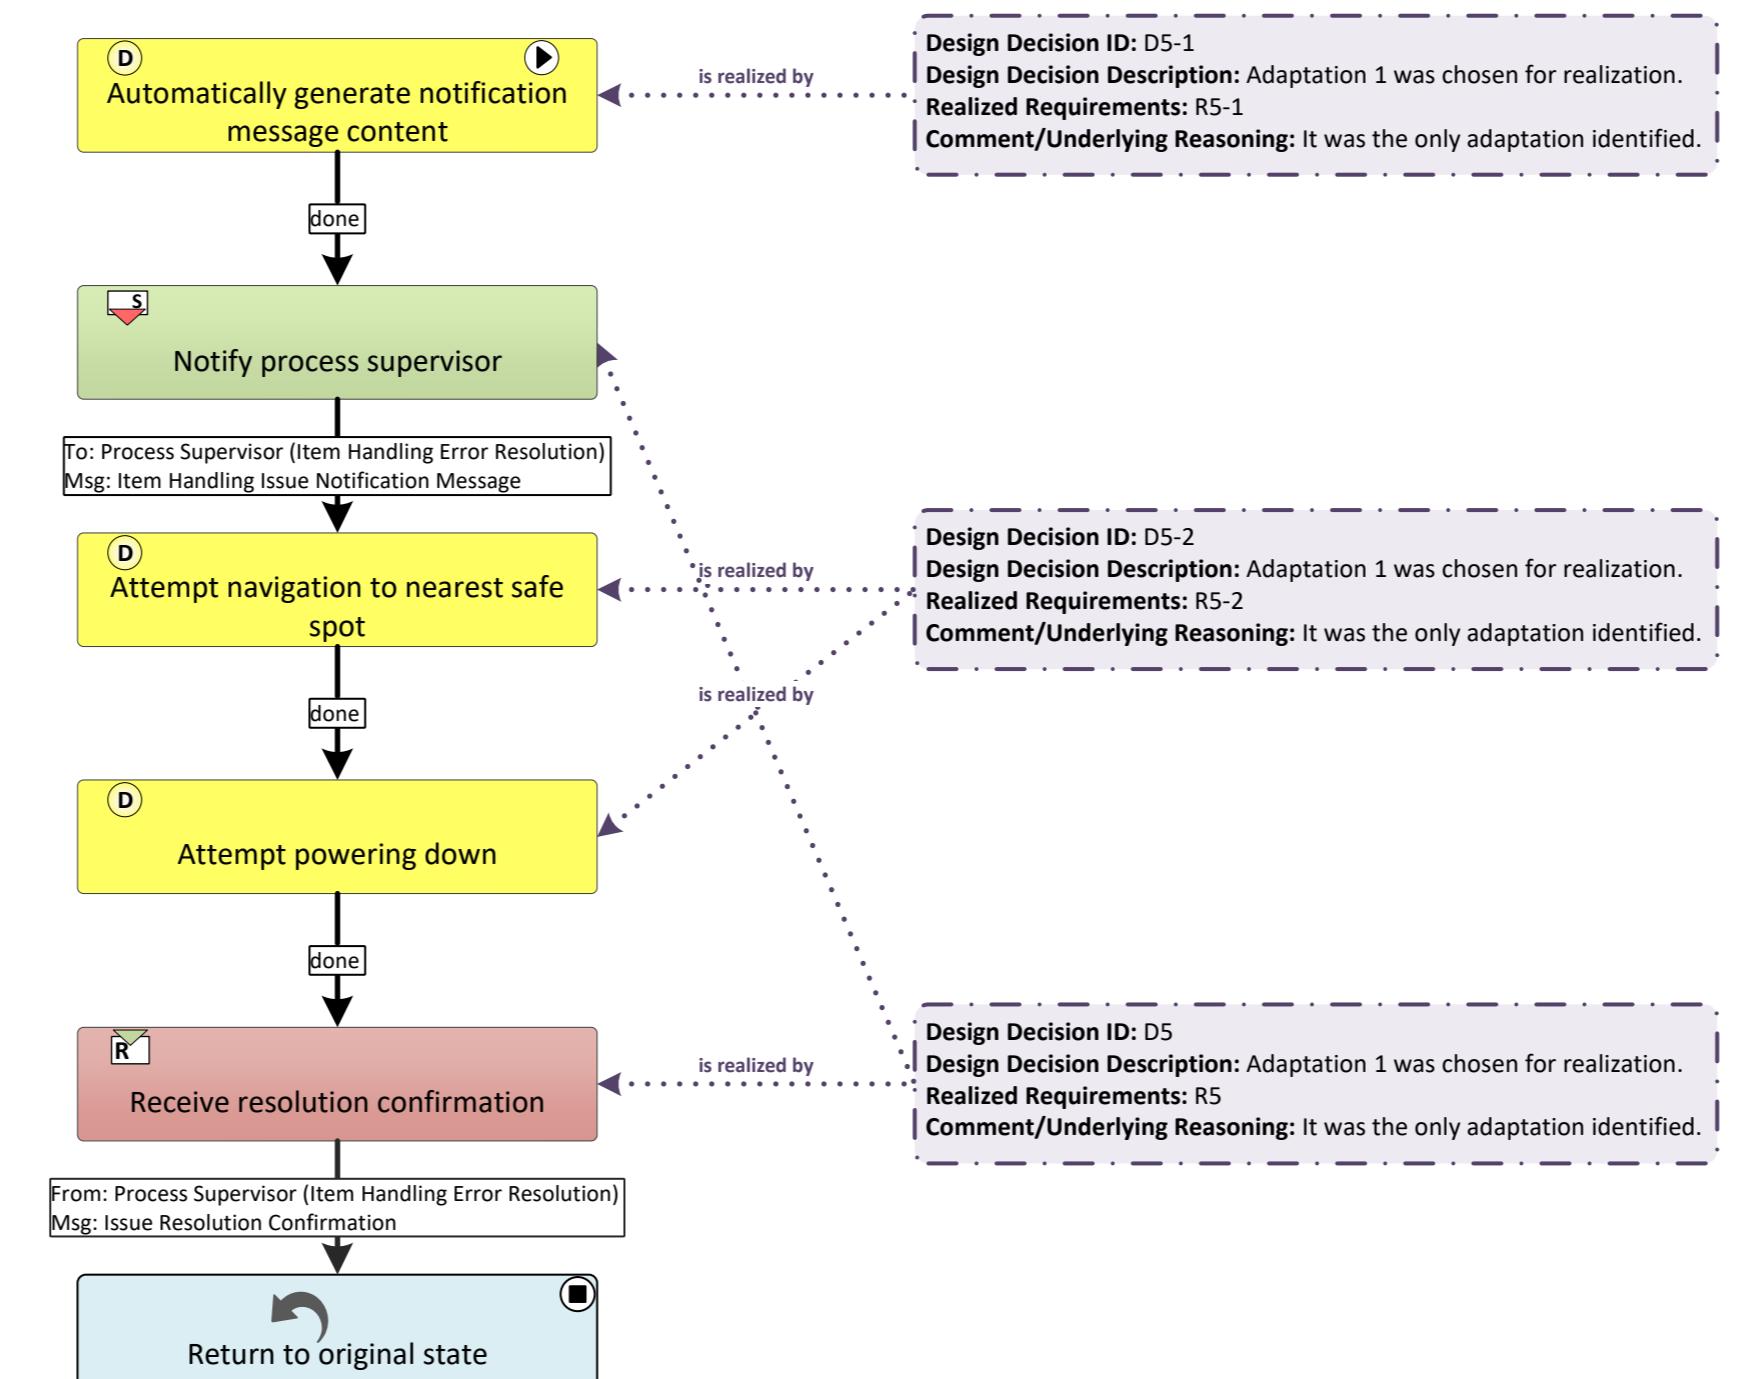

Design Decision ID: D6-1
Design Decision Description: Adaptation 1 was chosen for realization.
Realized Requirements: R6-1
Comment/Underlying Reasoning: It was the only adaptation identified.

Design Decision ID: D6-2
Design Decision Description: Adaptation 1 was chosen for realization.
Realized Requirements: R6-2
Comment/Underlying Reasoning: It was the only adaptation identified.

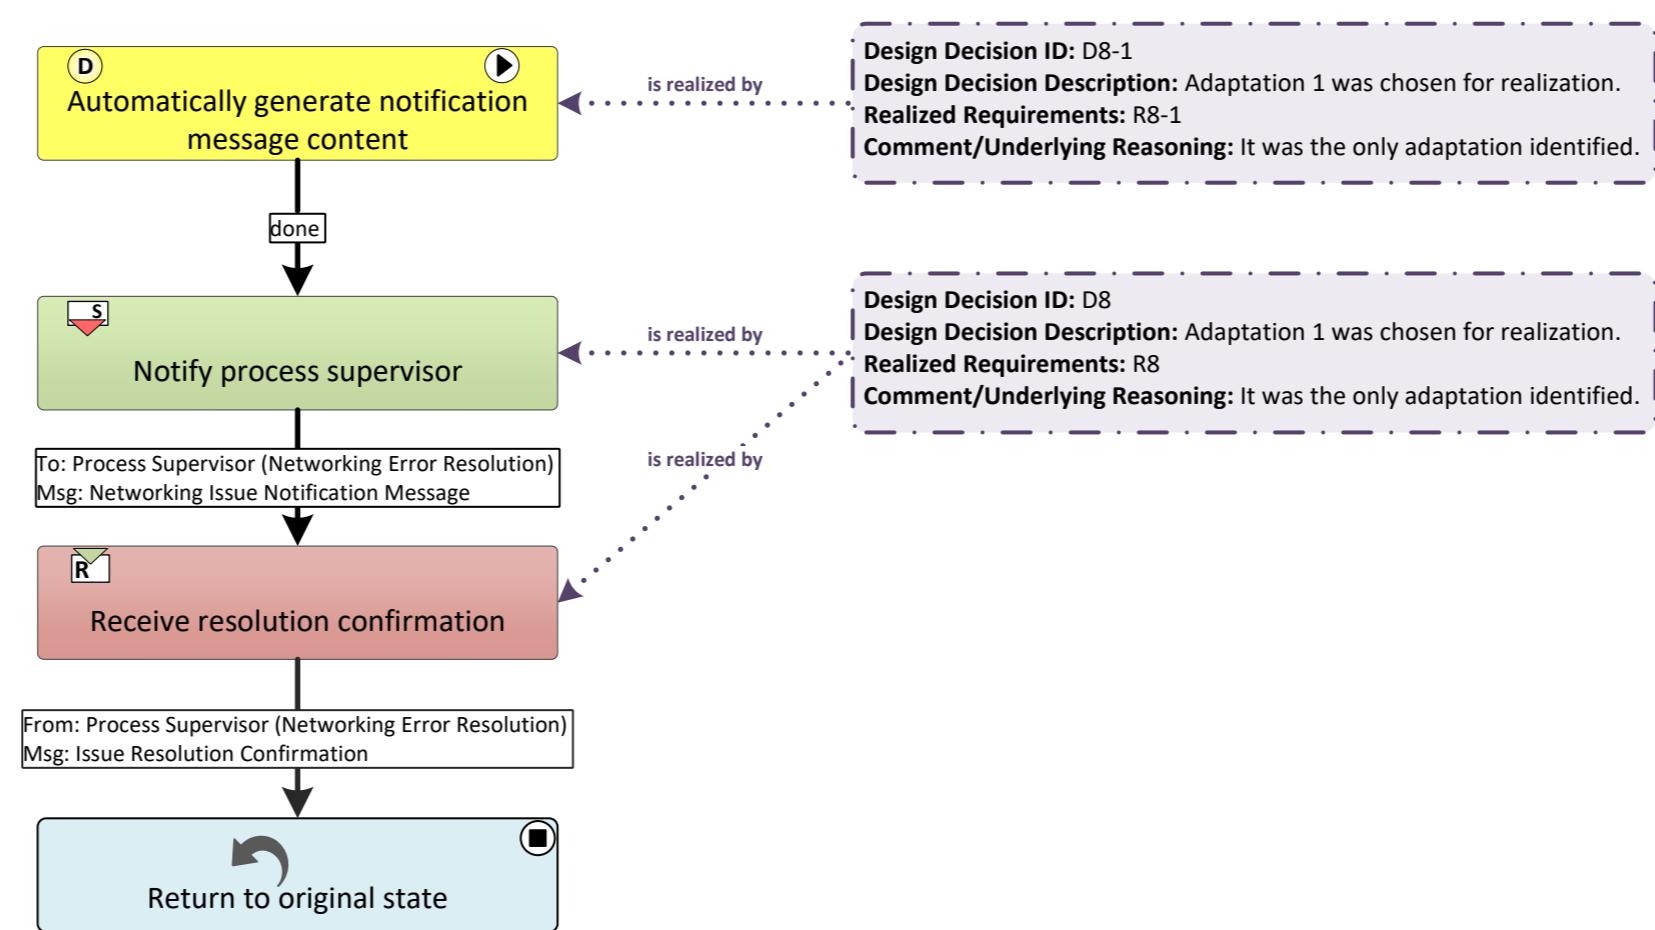

Design Decision ID: D6
Design Decision Description: Adaptation 1 was chosen for realization.
Realized Requirements: R6
Comment/Underlying Reasoning: It was the only adaptation identified.

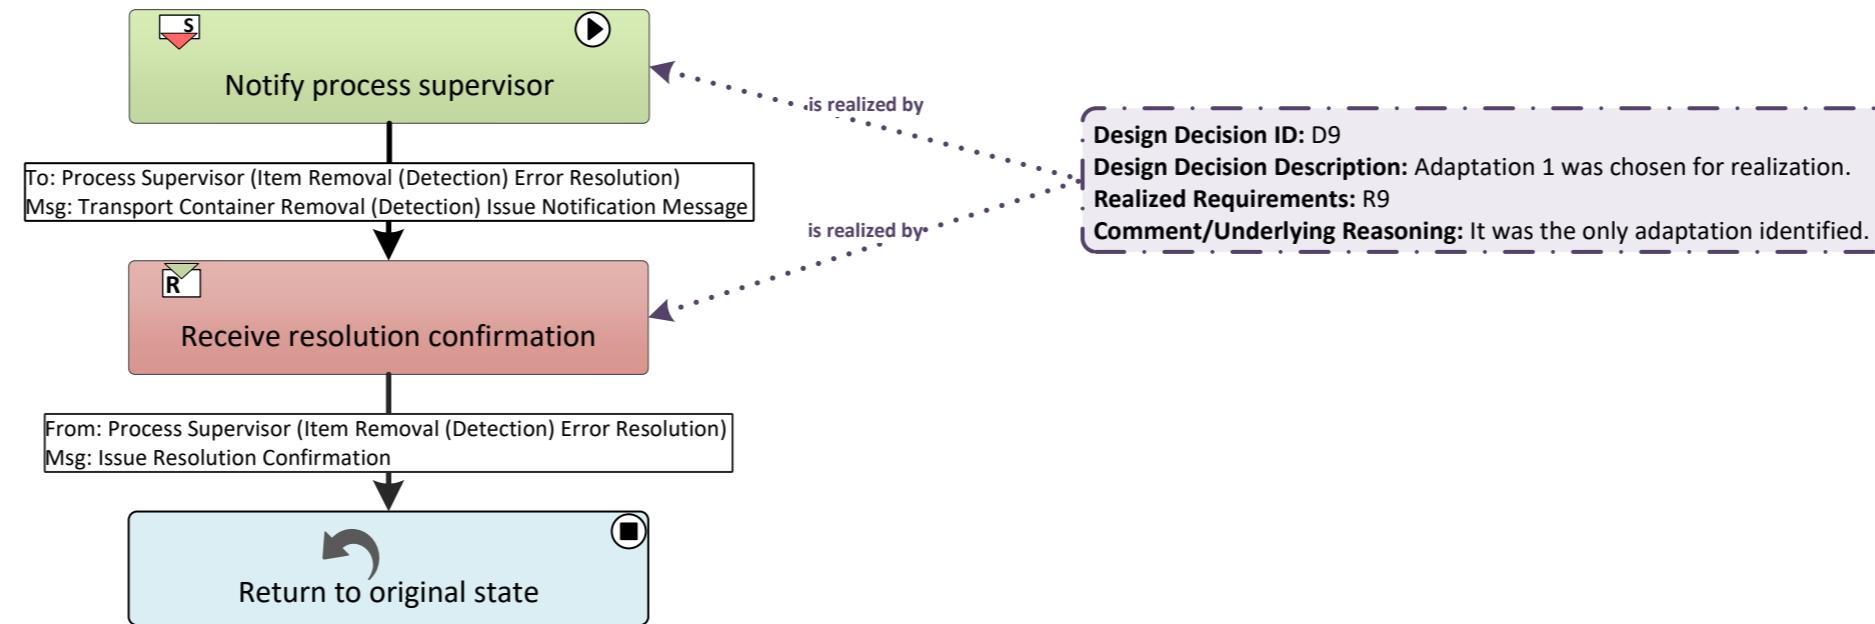

Design Decision ID: D5-1
Design Decision Description: Adaptation 1 was chosen for realization.
Realized Requirements: R5-1
Comment/Underlying Reasoning: It was the only adaptation identified.

Design Decision ID: D5-2
Design Decision Description: Adaptation 1 was chosen for realization.
Realized Requirements: R5-2
Comment/Underlying Reasoning: It was the only adaptation identified.

Design Decision ID: D5
Design Decision Description: Adaptation 1 was chosen for realization.
Realized Requirements: R5
Comment/Underlying Reasoning: It was the only adaptation identified.

Design Decision ID: D9

Design Decision Description: Adaptation 1 was chosen for realization.

Realized Requirements: R9

Comment/Underlying Reasoning: It was the only adaptation identified.
